MEMORANDUM

TO: Chair Douthit and Beautification Committee Members
FROM: Shellie Saner, City Clerk
DATE: April 26, 2024
SUBJECT: **Discussion/Recommendation** - Recommendation to Council on Enactment of Ordinance No. 3416-2024.

On January 9, 2024 City Manager Eubank, City Attorney Bloom and I met with the Beautification Committee in a work session to discuss possible code changes to KMC Chapter 1.90 - Standard Procedures for Boards, Commissions and Committees, possibly codifying the Beautification Committee as a Commission. The code changes discussed with the Beautification Committee were drafted and brought back for the Committee's consideration and recommendation during the February 13, 2024 special meeting. The Beautification Committee recommended Council approve the proposed amendments to KMC 1.90 and codifying the Beautification Commission.

This item is being brought back for recommendation because there have been substantial structural and organization changes since the Commission's original recommendations. These changes were made based on similar meetings held with all advisory bodies of the City and the recommendations received from the various bodies indicated the need for more structural and organizational amendments to code.

Portions of the proposed Ordinance effecting the Beautification Committee include a complete repeal, reenactment and renaming of Chapter 1.90 - Standard Procedures for Boards, Commissions and Committees to a new Chapter 1.90 - General Standards for Standing Advisory Commissions; enactment of a new Chapter 1.95 - Standing Advisory Commissions and enactment of a new section within the Chapter 1.95.020 - Beautification Commission.

During your February 13, 2024 special meeting the Beautification Committee recommended amendments to 1.90.010 - Creation and to 1.90.020 - Duties, shown in **Attachment C**. The following outlines those recommendations and how they were included in the proposed ordinance:

Amendments as recommended by the Commission to Chapter 1.90 - Standard Procedures for Boards, Commissions and Committees:

- 1.90.010 - Creation: The recommendation was to amend the first sentence by adding the underlined words and deleting the [BRACKETED WORDS], as follows: "All boards, commissions and committees created by the Council of the City of Kenai, [SHALL] unless otherwise specified, will consist of seven [7] members who shall be nominated by the Mayor and confirmed by the City Council from applications submitted to the City Clerk"

This recommendation was included in a modified version within the new 1.90.020 - Members, Appointments and Qualifications as paragraphs (a) and (b).

- 1.90.020 - Duties: The recommendation was to amend the second sentence by adding the words shown in underlined, as follows: “They shall act in an advisory capacity to City Council and administration unless otherwise specified in the City Code.”

This was included in a modified form within new 1.95.020 - Beautification Committee in various forms by including throughout the new code, “advise the Council and Administration”.

Creation of a new Chapter for the Beautification Commission:

The Beautification Committee recommended changing from a Committee to a Commission and enactment of a new section of code for the Beautification Commission, the proposed new section is included in the proposed ordinance as new section 1.95.020 - Beautification Commission. This proposed new section is written as recommended by the Beautification Committee at the February 13, 2024 special meeting with one exception as follows:

- Paragraph (c) is new. This new paragraph incorporates and modifies qualification requirements that are in 1.90.030 - Qualifications, which is proposed for repeal in the ordinance. The make up of all Advisory Commissions may not always have the same qualifications requirements, for example the Airport Commission and Council on Aging are very different from other Advisory Commissions. This move was done to allow qualification requirements to be applied based on the individual Advisory Commission and their role within the City.

14.05.050 - Membership Qualifications and Procedures.

- (a) The Planning and Zoning Commission will consist of seven members, who will be nominated by the Mayor and confirmed by the City Council in accordance with KMC 14.05.015, and the following:

MEMORANDUM

Attachment C

TO: Beautification Committee
FROM: Scott Bloom, City Attorney
DATE: February 5, 2024
SUBJECT: **Proposed codification of the Beautification Commission and Amendments KMC Chapter 1.90**

On January, 9, 2024 Terry Eubank, City Manager, Shellie Saner, City Clerk, and I met with your Committee in a work session to discuss possible changes to the Beautification Committee and KMC Chapter 1.90- Standard Procedures for Board, Commissions and Committees, as well as other procedures (such as an annual work plan) with the goal of improving the efficiency of your committee and making sure your valuable time as a member of this body is used wisely.

Attached to this Memorandum in Attachment A are the code changes we discussed. The changes are shown in legislative format. Underlined words are new suggestions while words in all caps are suggested for removal. In addition, comments regarding each change are provided in red. These comments are for discussion purposes only for this Committee.

If the Committee wishes to recommend Council approve the proposed amendments to code, a motion will be needed. For example, "I move to recommend that the City Council adopt the proposed enactment of code for the Beautification Commission and amendments KMC Chapter 1.90 as provided in attachment A". After the main motion has been made and seconded the subject will be before the committee for discussion and additional amendments. If additional amendments are proposed they must be made in the form of a motion, be seconded and voted on. Once discussion is complete and no additional amendments are proposed, the main motion will be voted on. All proposed amendment(s) that are approved by a majority of the Committee will be forwarded by the Administration to the Council in the form of an Ordinance, the Ordinance will also likely include recommended changes from other City Commissions that are relevant to their code sections.

The Administration will also recommend an appropriate location in the City's Code of Ordinances for this newly proposed code section for organizational purposes only, but a final recommendation on this change is still in the works. It would not have any material effect on the Committee/Commission.

Thank you for your consideration.

Chapter XX.XX
BEAUTIFICATION COMMISSION

(if this body is to be established permanently in code, we recommend changing it from a temporary committee to a permanent commission)

Sections:

XX.XX.XXX **Purpose.**
XX.XX.XXX **Duties and powers.**

XX.XX.XXX **Purpose.**

The purpose of the Beautification Commission is to advise the Council and administration on enhancing the appearance of the City. This proposed new section of code is intended to clearly state the purpose of the commission. Beautification means enhancing or improving the appearance of something or someone.

XX.XX.XXX **Duties and powers.**

(a) The Beautification Commission will:

- (1) Advise administration on seasonal displays and decorations promoted by the City,**
- (2) Advise administration on selection of annual plantings of flora to be displayed in the City,**
- (3) Advise Council and administration on City beautification issues as requested by the Council or administration, and**
- (4) Submit annually to the City Manager and Council, not less than ninety days prior to the beginning of the budget year, a list of the recommended capital improvements which, in the opinion of the Commission, are necessary or desirable to be constructed during the forthcoming five-year period. Such list shall be arranged in order of preference, with recommendations as to which projects are recommended for construction in which year.** These proposed duties were discussed with the beautification committee. They allow flexibility to allow the Commission to advise as needed when requested by administration or Council and also provide some specific duties. It is important to recognize that the City already has a parks and recreation commission and planning commissions, and this proposed newly created commission would be distinct and have a different area of focus though it could assist other departments as needed when requested by administration or the City Council.

SUBJECT: **Color Combination for City of Kenai**

This memo requests the Beautification Committee's recommendation on the department's paint colors. Standard colors in most parks and recreation departments for things such as tables and gazebos are usually a variation of green and brown. Attached are a variety of colors picked out by the Parks and Recreation staff. We are seeking a recommendation on what color of brown and green to use in the Park System.
