Statement (reproduced exactly as submitted):

I am seeking re-election to the Kenai City Council and am "Askin for your Vote" . . . Again. I very much look forward to serving the citizens of Kenai for three more years.

In the last three years, we have seen the:

- Bluff Erosion Mitigation Project kicked off,
- Bark Park has opened and is being heavily utilized,
- Triumvirate Theatre has reopened in an amazing new building, providing entertainment for young and old alike.
- Boys and Girls Club has moved into their new, beautiful facility and are serving more kids than ever, including a new day care!!
- Co-sponsoring the Storefront Improvement Program was a personal achievement.

Being a 40+ year resident of Kenai, I am proud of its responsible fiscal management. Kenai continues to operate with one old bond, insignificant debt; and without a mill rate increase for ten years or raising this year's water rates.

In anticipation of a pipeline project, I pledge to be a common sense voice for Kenai's citizens.

If re-elected, I will continue to represent the citizens of Kenai to the best of my ability and attention to your concerns. Your vote on October 7 is greatly appreciated.
