Subject: Kenai City Council Regular Meeting May 15, 2024  
Ordinance No. 3417-2024

Mayor Gabriel,

I am a long time Kenai resident at 1513 Toyon Way. I am supportive of ordinance number 3417-2024, the City's purchase of Tract B, Kenai Bluff Stabilization Subdivision.

I'm very appreciative of how responsive the City of Kenai has been regarding our neighborhood concerns about camping, fires, and habitat destruction near this piece of land.

I am confident that as the City works to protect beach access, marine wetlands, the future of our sewer treatment plant, and bluff stabilization, the residents of Kenai will see good stewardship of this area.

I ask that the City's planning and management of this property includes careful consideration of impacts to adjacent, adjoining, and abutting properties.

The City of Kenai has a long history of elected officials, employees, and volunteers working together to meet the challenges of change. The result is the great community we live in. Thank you!

RE: Funding request for the Peninsula Oilers

To the honorable members of the Kenai City Council,

On behalf of the Peninsula Oilers Board of Directors, we respectfully request funding considerations for the upcoming funding cycle. We would ask the Council to award a \$5000 grant or donation to help our organization with general operating expenses.

The Peninsula Oilers are about to host their 50<sup>th</sup> season. We are committed to maintaining a quality baseball program that focuses on player development and the fan experience. We are honored to be a family friendly presence on the Peninsula. We make it a priority to give back to the community; we host little league camps, make the ballpark available to Kenai Legion Twins and other community functions, we partner with local high school sport teams to create fundraising opportunities for them, and we award scholarships to local graduates.

Oiler Park is frequented by locals and draws tourists from throughout Alaska as well as out of state visitors, all contributing to the local tourist economy. Over the years we have made costly improvements to the ballpark. Last summer we were able to replace the decking on the grandstands. We have put in new foul line fencing, backstop net and scoreboard. We are immensely proud of our field.

The Peninsula Oilers are run by a volunteer board of directors. We have been working diligently to raise funds but are facing a potential budget shortfall. Help from the Kenai City Council would aid our efforts. Thank you for considering the Peninsula Oilers.

Respectfully Yours,
