Note: Information in this addendum takes precedence over original information. All other provisions of the document remain unchanged.

01-04 Plan Holder Question

"The latitude 5430 rugged comes with 65W adapter and currently no option for 90W. Is this acceptable?"

Response: The Dell website still lists the "90W 461G Type-C EPEAT Adapter" as an available option for this laptop. As such, this product must be included in the bid.
