Elements of Art and Principles of Design

Elements of Art are what make up a painting, drawing, print, ext. Not all elements are used in any given work of art, but they could if the artist desired it.

Principles of Design are what we do with the elements. How we apply these principles can determine the success of our art.

Elements of Art = building blocks

Elements of Art

Line

Color

Shape

Form

Texture

Value

Space

Principles of Design

Balance

Proportion

Emphasis

Variety

Unity

Pattern

Movement

Principles of Design = building methods

Creating art can be a very rewarding experience, but remember to keep it fun!

This kit generously sponsored by :
