MEMORANDUM

TO: Parks and Recreation Commission
FROM: Brad Walker, Parks and Recreation Director
DATE: May 26, 2022
SUBJECT: City of Kenai Future Capital Improvement Plan Discussion

The Capital Improvement Plan (CIP) is the primary planning tool for large projects that go on in the City. The CIP is developed by Public Works along with City departments and Administration. Then it is submitted to be reviewed by boards and commissions before submitting it to the City Council. This work session will be brainstorming new ideas for future Capital Improvement Projects for Parks and Recreation. Being that virtually all of the staff is new to this department we want to start these discussions now so we can plan accordingly when the CIP is due.
