MEMORANDUM

TO: Kenai Parks & Recreation Commission
Kenai Beautification Committee

FROM: Robert J. Frates, Parks & Recreation Commission

DATE: October 29, 2020

SUBJECT: Leif Hansen Memorial Park - Winter Fountain Display Discussion

Purpose of this correspondence is to share with you some examples of different static displays that could be incorporated into the winter decorating at Leif Hansen Memorial Park.

Our largest holiday manufacturer and distributor in the Pacific Northwest has recently closed. This isn't particularly problematic although the selection will be more limited and shipping would most likely be more expensive due to coming from other parts of the U.S.

Attached to this document are various examples of holiday décor that could be placed on the fountain. Most of these displays are special order items and are several weeks or even months out from delivery. These examples will at least get the creative juices flowing and give you an idea of the possibilities.

Please contact me at 283-8261 should you have any questions in advance of the meeting.
