Adopt-A-Hydrant Program

Do you want to serve your community? Then this may be the perfect program for you. During the Winter months, the City of Kenai has over 500 fire hydrants to maintain and to keep clear of snow. The City works hard to keep hydrants clear, but with the large snowfalls that can happen it can be difficult to maintain. We are asking for your help in this endeavor to adopt a fire hydrant. By adopting a fire hydrant, you will be helping emergency services locate and use these hydrants quicker and safer in case of winter emergencies!

City of Kenai Adopt-A-Hydrant

- Do not use a snowblower they can damage the hydrants
- Clear a path to the hydrant
- Clear a 3 feet around the whole hydrant!
- clear snow and ice off of the hydrant

What do you need to do?

Locate and identify a hydrant, fill out the form below and send it to the Parks and Recreation Department at Parks@kenai.city or bring it to the Kenai Recreation Center at 227 Caviar, Kenai, Alaska 99669. Questions call the parks department at 907-283-8262.

Then every time it snows, we ask that you check your hydrant and make sure it is clear of snow, as shown in the above graphic on the front page.
