01-01 Plan Holder Question: When previously awarded the contract for this type of work, we placed 8 regular toilets, 2 ADA toilets, and 2 hand wash stations to a skid to allow for services at the beach. Although previous bids have said 9 regular and 1 ADA, we provided the 2nd ADA as a replacement to the 1 regular, while only quoting 9 regular and 1 ADA. In light of the new wording of this year's bid, we are requesting confirmation this is still acceptable.

Response: Yes. ADA portalets may be provided in substitution of regular portalets.
